RODEO UNVEILS NEW WEB SITE

The Coonamble Rodeo Association today unveiled a completely new web site to replace the existing site which has been in use for over 7 years. Coonamble Shire Council will host the site alongside the soon to be launched new Council Web Site. Publicity Officer for the Rodeo Association, Steve Baldwin explains that the development of the new site would not have been possible without the support of Coonamble Shire Council and Tourism NSW. Council successfully applied for Regional Flagship funding from Tourism NSW and part of this has gone towards the new site.

The site has been developed by BOSWEB Systems, a company based in Central West NSW. Angela Lordan, the project manager, actually attends the Coonamble Rodeo & Campdraft regularly so is very familiar with the event.

'The new site is a lot easier to navigate' says Steve and will be progressively updated as the event draws closer. We are currently receiving about 50 'hits' a day on the old site so hopefully the new site will encourage more people to visit Coonamble for the event.

The new site shares the same address as the previous site:

www.coonamble.org/rodeo

Copies of the new Rodeo poster can be obtained from Coonamble Shire Council front desk or by ringing the Publicity Officer on (0408) 824 179
